MEMORANDUM FOR: Executive Officer, DD/A

SUBJECT: Coordination of Agency RD&E Program

REFERENCE: DD/S&T-908-76, 20 February 1976

1. In the interest of completing the formal portion of the referenced coordination process in a timely manner we are forwarding herewith a set of R&D system summary sheets covering all DD/A related programs. You will note that they have been annotated with your priority rankings where appropriate and that proposed spending levels for fiscal 77 and 78 are indicated.

2. Since we are all working against the same Agency Program Call deadline we would appreciate a response by 4 May especially with respect to any major issues which cannot be resolved directly with the R&D Office concerned.

3. Your statements about new capabilities, which were mentioned in the referenced memorandum would be of great value to this Directorate in further refining its RD&E planning. They would be of most usefulness if we received them before mid-year.
